PROFESSIONAL EXPERIENCES

Travel Manager | ASAP Tickets – Dreamport *(Remote)* *Mar 2023 – Aug 2026*

- Handled inbound and outbound calls to engage customers, understand their needs, respond to enquiries, and support travel ticket sales.
- Communicated with prospective and existing customers to understand their travel needs and explain available ticket options.
- Followed up with leads and customers to encourage bookings and maintain engagement throughout the sales process.

- Conducted real-time competitor price research during client calls by comparing flight availability and fares across online booking platforms, then applying required markups to prepare competitive customer quotations.
- Managed customer interactions and updated relevant information in CRM systems to support follow-up and sales tracking.
- Addressed customer questions and objections professionally and helped customers understand suitable travel options.
- Assisted customers with travel arrangements, booking enquiries, and the resolution of issues related to their requests.
- Managed multiple customer interactions while working remotely and meeting assigned responsibilities during overnight shifts.
- Maintained accurate customer and travel information to support effective service delivery.

Research Intern / FCT Field Coordinator

Direct Consulting and Logistics (DCL) | Abuja, Nigeria *Jan 2026 – Jul 2026*

- Supported programme administration, documentation, and coordination across multi-state research activities.
- Coordinated schedules, meetings, webinars, workshops, field activities, and logistical arrangements.
- Maintained project records and contributed to activity reports and follow-up documentation.
- Communicated with government stakeholders, educational institutions, community leaders, youth representatives, and project partners.
- Assisted with data collection and record checks to support accurate reporting.

HR Administrative Officer | Digital Ajo | Abuja, Nigeria *(Remote)* *Dec 2024 – Jan 2026*

- Responded to applicant enquiries and supported recruitment communication, interview scheduling, and onboarding.
- Maintained employee records, personnel files, and other HR documentation.
- Organised digital filing systems to support accurate records and efficient document retrieval.
- Prepared correspondence, reports, and routine administrative documents.
- Followed up on outstanding requests and coordinated internal communication to support timely completion of tasks.
- Handled confidential employee information with discretion.

Project Coordinator | Project 309 / Green Africa Initiative *(Part-time/Seasonal)* *Sept 2023 – Sept 2026*

- Coordinated project schedules and implementation activities for tree nursery and tree-planting initiatives.
- Communicated with volunteers, vendors, and other project participants regarding assigned activities.
- Maintained project records and prepared progress updates.
- Supported site activities, resource coordination, and stakeholder communication.
